Ok. We should get the GAO investigation initiation letter if there is one. Do you know who at OECA is leading? We will want to reach out to them and I can do that if you like. Thanks

Hi Claire,

I've put a call in to John to help clarify the focus of GAO's review. My understanding is that this is a national effort (most regions) and that OECA is taking the lead at HQs. We should probably discuss how to best respond to this request.

Thanks,

David

Good Afternoon Mr. Albright,

I hope this email finds you well. As you may know, my colleagues and I at the Government Accountability Office (GAO) are reviewing EPA and state class II program enforcement as a follow-up to our previous report, [GAO-14-555](#). To ensure continuity, we're planning to speak to the same regions and states for this report, including Region 9. We would like to schedule a phone meeting with you during the week of July 22. We are asking for your

assistance in identifying the appropriate staff to speak with us about the UIC program, and in particular, the Region's oversight of state class II programs. We will likely need two hours of your time and ask that you provide some potential meeting times that would work for you and your team. If you have any questions feel free to contact me at 202-512-2580 or hockerj@gao.gov or Micah McMillan at 303-572-7319 or mcmillanm@gao.gov. Thank you.

Regards,

John
